INCREASE PER ROOM REVENUE - UNIQUE CONCEPT

NEW! HOTEL WELLNESS-RELAXATION SUITE is the Hottest Concept Today

Clients crave personalized attention, better service, unique accommodations. Now you can attract new clientele and make every room a Wellness-Relaxation suite without renovation or big investment. Our Wellness Sauna SPA PODs occupy little space and can be added anywhere. If you already offer food room service, simply add our skincare & spa services menu to your room service menu and start delivering new profits! Tired, jet-lagged travelers will love the opportunity to pamper themselves in the comfort of their suite & enjoy their privacy with self-automated spa services. The investment is small expect a quick and large ROI Annually. No plumbing required—Only electricity. **The Hotel Wellness-Relaxation Room Service Choices are Endless!**
